

Couple's Racer Report

The PRO was MIA.

The love bugs were in attendance.

Thunder was heard shortly after the first boats started.

Pigs had the best start

Whiplash anticipated the clocking of the wind, took the lead (for good) in the second leg and finished the the 5.33NM course in one hour and 25 minutes.

The boats in the back of the fleet got wet and all eventually returned.

Unofficial Results:
